

Farrer Primary School

Voluntary Contributions 2023

Dear families

Each year ACT public schools invite families to make a financial contribution to support educational programs; this voluntary contribution is a valuable source of funding which assists the purchase of learning materials and school resources that may not otherwise be purchased.

In 2023 the School Board intend to use money from voluntary contributions for outdoor learning and play space upgrades. In 2022 a consultation process took place with students, community and staff to develop a masterplan for these upgrades. Voluntary contributions made in 2022 contributed to the new bike track being installed. Work will continue over a five-year period to install new learning and play spaces. The goal is to raise \$20 000 from voluntary contributions to add to the budget for upgrades in 2023.

Voluntary contributions for 2023 are:

One child	\$175.00
Second child	\$100.00
Subsequent Child	\$50.00

For example, a family with three children is:

First child	\$175.00
Second child	\$100.00
Third child	\$ 50.00
Total	\$325.00

If you would like to make this voluntary contribution over several payments, payment options are provided on the next page. If you would like to make any other contributions to our school, feel free to discuss with Phillip Bowden, Board Chair, or Liz Wallace, Principal. All contributions and donations are greatly appreciated.

Thank you for considering this request.

Farrer Primary School Board

☐ **QUICKWEB (*preferred payment method*)** by going to **Farrer Primary School's Website**.

Click on the ***PAYMENT TAB***, you will be redirected straight to our Westpac Bank account; (this is a secure page).

Fee Code: Voluntary Contribution

Whilst contributions are voluntary, they are critical to providing an enriched and extensive range of experiences for your son/daughter.
The Education ACT 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
