

Sustainable Stationery Pack 2024 Preschool -Year 6

Dear families,

In 2024, we will continue to use bulk stationery packs (book packs) for students. Book packs will be delivered in bulk to the classroom and teachers will distribute equipment to students.

Book packs contain items required for learning throughout the year including exercise books, scrapbooks, grid books, specialist class (science, Japanese) requirements, pencils, glue sticks, textas, whiteboards and more.

The cost for the Sustainable Stationery Pack 2024 for students in Preschool-Year 6 is **\$70.00**

The school has made every effort to keep cost for the book packs to a minimum level. If necessary, parents or students can confidentially discuss support to meet the cost of the book packs with the School Executive or Business Manager. Please contact the front office if you would like to speak with School Executive or Business Manager.
