

## Farrer Primary School

### Voluntary Contributions 2024

Dear families

Each year ACT public schools invite families to make a financial contribution to support educational programs; this voluntary contribution is a valuable source of funding which assists the purchase of learning materials and school resources that may not otherwise be purchased.

In 2024 the School Board intend to use money from voluntary contributions for classroom resources and specialty programs such as Japanese, Environmental Science and Physical Education. The goal is to raise \$20,000 from voluntary contributions to purchases resources in 2024.

School Board members considered the significant rise in cost of living expenses as a factor in maintaining the request for voluntary contributions at 2023 levels.

Voluntary contributions for 2024 are:

One child	\$175.00
Second child	\$100.00
Subsequent Child	\$50.00

For example, a family with three children is:

First child	\$175.00
Second child	\$100.00
Third child	\$ 50.00
Total	\$325.00

If you would like to make this voluntary contribution over several payments (ie per term) or just a part payment, payment options are provided on the next page. If you would like to make any other contributions to our school, feel free to discuss with School Board Chair, or Principal via email to [bm.frrp@ed.act.edu.au](mailto:bm.frrp@ed.act.edu.au)

Any and all contributions and donations are greatly appreciated.

Thank you for considering this request.
